

Iva Rakocevic

Corporate Finance, M&A and
venture capital expert
- NX3

Summary

I have extensive experience advising companies on fundraising, business development, market-entry, growth & expansion. Now at NX3, I proactively source high-quality investment opportunities globally and support early-stage companies on various management, strategy and funding issues. I hold a Master of Science in Business Administration, First Class Honours, from the University of Vienna, specializing in corporate finance and financial services.
